FEATURED PRODUCTS

S5000 Series

Storefront Exit Device with Factory Installed Latch Retraction

The S5000 is a code compliant alternative to magnetic locks for storefronts with superior aesthetics.

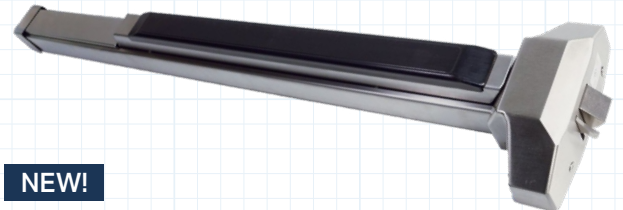

NEW!

- Factory installed motorized electric latch retraction
- Electric dogging to hold latch retracted
- Optional request-to-exit (REX) monitoring
- Compatible with low-energy door operators
- Aluminum glass door applications
- Rim and concealed vertical rod devices

S4000 Series

Commercial Exit Device with Factory Installed Motorized Latch Retraction

The S4000 with factory installed motorized latch retraction and REX makes application as easy as **Install - Power - Done.**

NEW!

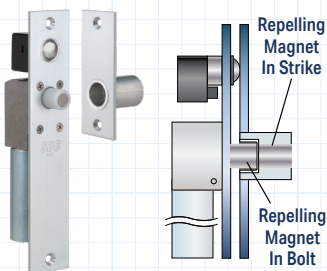

- Factory installed electric latch retraction and REX monitoring
- Stainless steel construction
- Corrosion resistant
- Grade 1 exit device
- Rim and surface vertical rods
- Compact design for commercial and industrial applications

FS23M Series

Dual Failsafe Concealed Mortise Bolt Locks

Conventional failsafe locking bolts rely solely on a spring to retract the bolt. SDC's patented FS23M dual failsafe feature will unlock with or without the assistance of the spring through the use of large repelling magnets. Perfect for locking of perimeter entrances and emergency exit doors after-hours.

SDC Spacesaver®

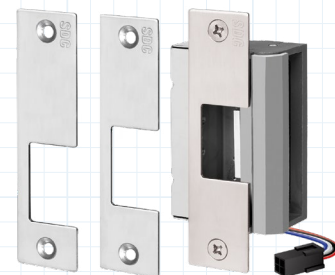

- Narrow mortise, dual failsafe
- CSFM listed for 1 3/4" frame
- Adjustable auto relock switch
- Dual 12/24VDC standard
- Aluminum finish standard

55 Series

Universal Heavy Duty Electric Strikes

For new or retrofit construction, the choice of 6 application faceplates eliminates the need for centerline relocation. Retrofits Existing ANSI 4 7/8" Strike Prep. Designed for installation in hollow metal frames for access control of cylindrical and mortise locksets and mortise exit devices.

SDC UniFLEX™

- Two deadlocking cams, tested up to 2500 lbs
- No centerline relocation
- No hot keeper, no power regulator
- Field reversible failsafe/failsecure
- UL listed, burglary resistant

SDC's COOL TOOLS YOU CAN USE ANYWHERE

Security Door Controls Retrofit Made Easy!

Use the SDC App to send a picture with your contact information. SDC will recommend cost effective solution with product information links to retrofit the opening for access control locking hardware.

1. Snap a picture of your door opening application
2. Submit through the free SDC app
3. Receive a complete **Access & Egress electrified solution**
